

Prevent slips and trips with good housekeeping

Follow these good housekeeping tips to prevent slips and trips in schools:

Clean up all spills and debris immediately.

Close file cabinets and storage drawers immediately.

Mark or Identify spills and wet areas.

Cover or tape down cords or cables and edges of carpets.

Keep walkways clear of clutter and other obstacles. Ensure backpacks and jackets are hung up and/or stored in designated areas.

As a worker, it's your responsibility to be alert to hazards and take action.

If you see something unsafe, report it to your supervisor.
